

Sports Grant Action Plan 2016-17

Physical education is education through physical activity: its goal is the development of the individual as a whole, not just their physical development or their proficiency in specific sports. Through a focus on ensuring physical education at primary school we provide young people with access to physical activity for life as well as build the foundation for future participation and performance in sport.

Grant for 2016-17: £8895

SCHOOL OBJECTIVES	Outcomes	Evaluation
To increase SP confidence in delivering high quality PE, particularly gymnastics.	Improvement in the coaching of gymnastics throughout the school (evidenced through lesson observations and positive feedback from staff).
