

St James' CofE Primary School

"Committed to Excellence"

15th January 2019

Dear Parents,

We are very excited to welcome **Dylans Reptile Time** to school on the 5th and 6th February 2019. This visit will support and enhance the teaching of animals in our science curriculum. The children will get to hold/get up close to various different snakes, lizards, tortoises, African Bullfrog, tarantula, millipede and others. Children do not have to touch reptiles.

Dylan's Reptile Time provides a fun and interesting "hands on" reptile and mini beast experience.

We politely ask for a contribution from each child of £2.00 towards the cost of this event. This can be paid online. Thank you for your continued support.

Yours sincerely,

Mr R Andrew
Headteacher
