## Year 2 SATs information meeting **Monday 4th February**

**3:45 pm or 5:30 pm**

**We would like to invite you to a Year 2 SATs Preparation Evening at 3:45 or 5.30pm on Monday 4th February.**

As outlined in the spring newsletter, we will take this opportunity to explain all about the **Year 2** tests and the impact it has for your child as they move onwards into the juniors. It is therefore highly recommended that you attend.

We will explain how we will continue to prepare the pupils for their SATs, and how the children don't even know they are being tested; just taking part in some **special agent** training!

In addition, we will provide sessions about the Maths and English questions so that you have more information about the expectations of your child and any further help they may require.

We look forward to welcoming you to the SATs information evening.

Yours sincerely
